

Community Local Law

Following community consultation Council has updated its Community Local Law which takes effect from 1 July 2024.

The law sets out responsibilities and expectations for people in the City of Whittlesea to ensure we can live together harmoniously.

The law aims to make the community safer, take care of public property, and enhance local neighbourhoods – making the City of Whittlesea a welcoming place for everyone.

What's covered?

You can read the updated Community Local Law to see what impacts you. Topics covered include:

Cars and streets: including regulations on parking trailers, and caravans in the street for long periods of time.

Pets and animals: guidance around the number of pets you can have and responsible pet ownership

Rubbish and littering: disposing of large waste items and dumping of rubbish.

Fire safety: updates on outdoor burning and the use of firepits.

Construction sites: the amount of noise, rubbish and other issues caused by construction projects.
